PRESENTED BY

THREE REASONS TO EXHIBIT AT OCEANS 2010 SEATTLE

- The ONLY annual conference to gather industry, academia, and local, state, and federal government organizations in one place with a singular focus on ocean science and technology.
- Centrally located Exhibits Hall functioning as conference crossroads as well as the site of daily events and social opportunities.
- Amenities that let you do business elsewhere while doing business in Seattle: Free Wi-Fi in the Exhibits Hall; box lunch delivery service; and, a nearby business center for copies, faxes, and package receipt or mailing.

EXTEND YOUR BUSINESS BEYOND THE CONFERENCE

*BEFORE AND AFTER OCEANS 2010, CULTIVATE ON-GOING AND NEW BUSINESS
WITHIN EASY TRAVELING DISTANCE FROM SEATTLE!*

Applied Physics Laboratory – University of Washington ♦ Army Corps of Engineers – Portland, Seattle and Walla Walla Districts ♦ Battelle PNL, Marine Research Laboratory ♦ Boeing ♦ Environmental Protection Agency – Region 10 ♦ Joint Base Lewis-McChord ♦ NANOOS ♦ National Marine Fisheries Service – Northwest Regional Office ♦ Naval Undersea Warfare Center Keyport Division ♦ NEPTUNE Canada ♦ NOAA Center for Tsunami Research ♦ NOAA Ocean Acidification Program ♦ NOAA Pacific Fleet ♦ NOAA Pacific Marine Environmental Laboratory ♦ Olympic Coast National Marine Sanctuary ♦ Oregon Department of Fish & Wildlife ♦ Oregon Sea Grant ♦ Oregon State University – Hatfield Marine Science Center ♦ Port of Portland ♦ Port of Seattle ♦ Port of Tacoma ♦ Puget Sound Naval Shipyard ♦ University of British Columbia, Department of Oceanography ♦ University of Victoria Institute for Coastal and Oceans Research ♦ University of Victoria, School of Earth and Ocean Sciences ♦ University of Washington, Friday Harbor Marine Laboratories ♦ University of Washington, Regional Scale Nodes Program ♦ University of Washington, School of Oceanography ♦ United States Coast Guard Icebreaker Science Operations ♦ United States Coast Guard – 13th District ♦ Washington Sea Grant ♦ *and many more . . .*

You **SHOULD** exhibit at OCEANS 2010 if you are in:

underwater acoustics and acoustical oceanography • sonar signal and image processing • ocean observing platforms • remote sensing • ocean optics, vision and imaging • ocean data visualization and information management • offshore structures and technology • ocean vehicles and floating structures • operational oceanography and meteorology • marine renewable energy • coastal hazards • technologies for ecological studies of fish and marine mammal populations

**If you aren't in Seattle in 2010,
where will your business be
in 2011?**

Book Exhibit Space Now!

**\$2,995 for a 10' x 10' space and the attention
of 2,000 delegates!**
